## OVER 100 ATTEND DIDSBURY CURLING CLUB BANQUET

The Didsbury Curling Club held its banquet and annual meeting in the Lions hall on Thursday night and over 100 curlers and their wives and lady friends sat down to an excellent repast prepared by the lady curlers.

Following the banquet the annual meeting of the curling club took place and the financial statement was read, showing a balance on hand of \$1104.60.

Irvin Klein was elected president of the club for the ensuing year; Ace Ealer, 1st vice president; Dr. W.H. Epp 2nd vice president; and Fred L. Evans secretary-treasurer.

Honorary Patrons are: A. Gilrrie, J.V. Berscht, Dave Sinclair, Frank Heseltine, A. Brusco, Dr. Evans, A. Studer and Fred Moyle.

The question of a central bonspiel was discussed. A proposal has been made to hold one central bonspiel each year for the towns between Crossfield and Innisfail instead of each curling club holding its own yearly bonspiel, and the Didsbury club decided to send three representatives to a meeting to be held in Olds in the near future to further discuss the matter.

Members were of the opinion that the McDonald Briar local play-offs should be held earlier in the season this coming year.

Considerable discussion took place on the building of a new four-sheet curling rink in Didsbury and it was decided to have the executive meet with the committee of the Community Centre organization to further discuss the proposition with a view to having the rink built on the same property as other projects. The curlers are not asking for financial support, as they propose to finance the new curling rink themselves.

After the meeting adjourned a dance followed with music by Haliday's orchestra.

## REDEEMER LUTHERAN AID MEETS AT FOLKMAN HOME

The Ladies' Aid of Redeemer Lutheran Church met on Wednesday, April 9, at the home of Mrs. J.C. Folkman. Pastor E.B. Fox spoke on the topic "The Resurrection of the Body." In his talk he showed that since reason can not disprove the possibility of a resurrection, it also cannot comprehend such a truth; it therefore must remain for Scripture to prove the fact of a resurrection. A number of questions connected with this general topic were also discussed, such as: Who will be raised? Will we recognize each other in the resurrection? What will be the condition of the body in resurrection? Following this topic the business of the Aid was discussed. As a result of the elections held the following were voted into office: Mrs. A. Krebs, president; Mrs. E. Fox, vice president; Mrs. J.C. Folkman, secretary; Mrs. A. Ealer, treasurer. Regular meetings of the Redeemer Lutheran Ladies' Aid will be held on the third Wednesday of every month. The meeting concluded with a delicious lunch served by the hostess.

## FOOD PARCELS REACH DESTINATIONS IN EUROPE

Our readers may have noticed an article in last week's issue regarding the sending of parcels to European countries through the organization known as CARE (Co-operative for American Remittances to Europe, Inc.).

Many local citizens wonder if the parcels they send ever reach their destination. Well, to prove this, one local citizen has a receipt from Miss Anna Baurova, Brno, Pekaraska, Czechoslovakia, to show that her parcel was received by her through CARE.

This is proof that the food parcels are delivered in Europe and should leave no doubt in the minds of local citizens who contemplate sending parcels to relatives, friends, or others in the old country through this organization.

## WESTCOTT W.I. MEETING AT H. LEVAGOOD HOME

The March meeting of the Westcott Women's Institute met at the home of Mrs. H. Levagood on Thursday, April 10th, again two weeks late due to impassable roads. 12 members and 5 visitors were present at the meeting.

Roll call was answered by "Did You Know?" Mrs. J. Robertson was elected candidate to attend the bi-annual W.I. convention to be held in the Palliser Hotel, Calgary, on May 28, 29 and 30.

It was decided that each member make a "huff" for our April project, same to be brought to the April meeting.

A letter of appreciation was read from the people in the old country who had received our food parcel.

A good old sing song was then held, followed by an educational talk on "Jehovah's Witnesses" by Mrs. J. Robertson. The bit of fun was taken by Mrs. McFarlane, who on behalf of the members, also made the presentation of a chenille bag to Mrs. Garry Benger (nee Emma Luft). Mrs. Benger graciously thanked the members for the gift and everyone joined in singing "For She's A Jolly Good Fellow."

The used clothing to be sent to the needy children in Central Europe was then displayed. The singing of God Save The King followed and lunch was served. The next meeting will be held on April 24 at 2:30 p.m. at the home of Mrs. Gordon Ford.

## SCALE OF WAGES SET FOR ROAD WORK IN MUN. DIST.

The following scale of wages has been established for all road work done in the Municipal District of Mountain View No. 49:

Single man, 55c per hour; man and two horses, 70c per hour; man and four horses, 90c per hour; local foreman, 65c per hour; extra man on grader, 50c per hour.

Maintaining the roads: Man and four horses on drag, 40c per mile travelled; man and six horses on drag, 50c per mile travelled; tractor on 2-blade drag or 10-ft. blade, 50c per mile travelled; tractor on 12-ft. blade, 60c per mile travelled; tractor on 10-ft. blade and drag, 65c per mile travelled.

Tractors Only: Small, \$1.25 per hour; medium, \$1.50 per hour; large, \$1.75 per hour.

Reclaimer Walthers League MEETS AT OLDS ON APRIL 1

The regular meeting of the Reclaimer Walthers League was held on Tuesday, April 1, at the home of Mr. and Mrs. R.L. Kruger of Olds and was attended by about 28 young people from the members.

The League is currently discussing topics based on Holy Mountains from Sacred Scriptures. The central thought of the discussion at this meeting was based on the incidents as they occurred on Mount Her. The thought, "The greater our position in God's Kingdom, the greater our responsibility," brought forth considerable highly interesting discussion. The members of the League expressed their desire to obtain pins or some other insignia for the members.

After a Bible quiz and a sing-song the meeting closed with a very tasty lunch served by the hostess, Mrs. Kruger.

## PREPARE ESTIMATES AND SET MILL RATES FOR M.D. MT. VIEW

Estimates for the year were prepared at the recent meeting of the council of the Municipal District of Mountain View No. 49 and showed that the municipality will require \$483,723.37 for operating expenses in 1947.

This sum included \$13,575 for General Government; \$8,000 for Protection to Persons and Property, including weed control; \$127,500 for Public Works; \$5,059 for Rosebud Health Unit; \$42,274.66 for Public Welfare, including hospital requisition; \$195,973.12 for Education and school requisitions; \$500 for Recreation and community services; \$35,500 for discounts and cancellations, and \$48,000 for capital expenditure, including machinery.

After the above estimates were prepared the council set the following mill rates for 1947 taxes:

Municipal purposes 17 mills; Olds School Division 17.5 mills; Red Deer School Division 20.5 mills; Wheatland School Division 16 mills; Calgary School Division 16 mills; special levy for Crossfield School District 3 mills; Carstairs School District 22 mills; Olds School District 20 mills; Olds School District 24 mills; Olds Municipal Hospital District 4 mills, and Didsbury Municipal Hospital District 4.5 mills.

## TO PUT PLAQUES AND NUMBERS ON HOSP. DOORS

Tom Morris, chairman, and board members A. M. Robertson, J. W. Rupp, J.H. Hosgood, the matron and secretary were present at the meeting of the Didsbury Municipal Hospital District on Saturday, April 12.

Considerable discussion took place on the feasibility of equipping the laundry, but due to the fact that the hospital is committed to heavy expenditure in finishing the basement for nurses' quarters the matter was tabled.

A communication from the Department of Health advised that the per diem grant will be increased this year.

Another communication from Associated Hospitals announced an increase in the rates payable to the W.C. Board.

It was decided to place plaques on the doors of each room, showing what organization or individual furnished it, and also to place metal numbers on each room door.

The necessity of linoleum on the kitchen floor was discussed and it was decided to order it if obtainable.

## WM. McCULLOCH JR. BUYS GARAGE FROM B. PREVOST

A deal was completed last week whereby Wm. McCulloch Jr. has purchased the Hiway Garage from Bert Prevost.

Mr. McCulloch assumed control of the business on Saturday, April 12.

## FORTY YEARS AGO

April 19, 1907

At the last council meeting an offer was made to the C & E Townsite Co. for 29 acres of land in the S.E. corner of the N.W. 1, of Sec. 18, Twp. 32, R. 1, to be used as a fair grounds and park.

Mr. J. Liesmer has opened up a real estate office in Didsbury.

L. Sanderman is now running a milk route in town.

A pretty wedding took place in Calgary on April 3rd when Miss Ethel M. Gilchrist was married to Mr. Ernest L. St. Clair.

In a runaway of Mr. Sutter's team last week Harry Gabel the driver, had his collar bone broken and is laid up for repairs.

Good prices were received for animals at the horse sale held last Friday. One team sold for \$561, while a yearling colt brought \$175.

## EDGAR T. WIGGINS ELECTED VICE PRESIDENT OF A.T.A.

Edgar T. Wiggins, principal of Didsbury schools, has been elected to the position of vice president of the Alberta Teachers' Association. The results of the election were announced recently at the annual general meeting in Edmonton, following the counting of ballots which were returned by approximately thirty-three hundred teachers of Alberta.

Mr. Wiggins will be one of three delegates from Alberta to attend the Canadian Teachers' Federation annual meeting to be held this year in Halifax. He will be accompanied on the trip by Mr. H.E. Melsness, past president, and Mr. Eric C. Ansley, general secretary-treasurer of the Association. The meeting is scheduled for August 11-14.

Mr. Wiggins has also been appointed as A.T.A. representative on the Department of Education High School Entrance Examination Board.

## MT. VIEW CO-OP. PAYS 10 CENT BONUS ON HOGS

The annual meeting of the Mountain View Co-operative Livestock Shipment Association was held in the Calder hall in Innisfail on Thursday, April 10, with only a fair attendance, as the snow and rain of the previous night had made the roads almost impassable.

The financial statement showed a gross hog handling of \$1,119,486 last year, a gross cattle handling of \$117,108.34 and a gross sheep handling of \$31,720.36.

It was agreed to pay 10 cents per hog bonus to members on 1946 hogs.

Mr. H.C. Larsen was re-elected as director for Didsbury for two years. Mr. H. J. Hosgood is the other Didsbury director.

Mr. Hopkins of the Federation of Agriculture gave an interesting talk on the aims and objects of this organization. One point he stressed was the necessity of all farmers who wish to take advantage of the three-year income tax equalization, to state in their 1947 income tax return their desire to use this coverage, otherwise they will be liable on a single year basis.

## GAME ASSOCIATION TO GIVE PRIZES FOR MOST MAGPIE FEET

The Didsbury Fish and Game Association held its regular meeting on Monday night with one of the largest crowds on record, and president Ken McCoy expressed satisfaction on the interest shown by members.

The following committees, which had not been named at the last meeting, were elected to office: Big Game—Frank Topko, Slim Goodburn, Frank Heseltine, Irvin Klein and S. Thompson.

Game Bird—Jas. Cathness, Walter Fulkerth, Harold Wood and George McDonald.

Fish—C.S. Mortimer, Ed Ford and J.W. Wordie.

Entertainment—Mrs. Ken McCoy, Mrs. E. Grange, Mrs. J. McCloy, Ed Wiggins, A.G. Studer, E.J. Rouleau, L. Nicholl and W. McFarquhar.

Chas. Mortimer, on behalf of the Association, presented Raymond Ford with a pair of predatory bird feet caught by a club member last year.

A.G. Studer, one of the honorary patrons, spoke briefly on his trips to Victoria and Minneapolis.

After consulting with the Olds Association members it was decided to pay a bounty of 7c per pair on crow and magpie feet.

In order to encourage the young people of the community to go after crows and magpies it was decided to give three prizes this year for the most pair of predatory bird feet turned into the local association.

At the close of the meeting lunch was served and Warren Kemp of the Olds Association showed some interesting pictures on his game hunts and the moving of deer from Pincher Creek to Didsbury and Olds districts.

## C. Fox is New Reeve of M. D. Mountain View

The statutory meeting of the Municipal District of Mountain View No. 49 was held in Didsbury last Thursday, but with such a large agenda the business could not be completed in the one day and the meeting was continued Tuesday, with all councillors present, including the newly-elected councillor, H.J. Goetjen.

Councillor C. Fox was appointed Reeve of the municipality and W. H. Metz deputy-reeve for the first six months.

On the Agricultural Board B.C. Trimble was appointed chairman, with Reeve C. Fox, Frank Laut of Crossfield, R.C. Sheehan of Carstairs, together with Hugh McPhail, district agriculturist, and Stanley Hodson, field supervisor, as the other representatives.

Stanley Hodson was appointed assessor of the municipality and C. E. Reiber, auditor.

Rosebud Health Unit Representatives are Councillors W.H. Metz, H. J. Goetjen, Geo. Haag and F.J. Niddrie.

Council approved the purchase of a small tractor to be used by the Agricultural Service Board for the control of weeds on road allowances and to operate a dusting machine.

The necessary by-law was passed to provide the following grants: Salvation Army, \$700; Red Cross,

## MRS. E. RANTON PASSES; BURIED IN EDMONTON

The town and district was saddened Wednesday, April 9, on learning of the death of Mrs. Elara Hardisty Ranton, who passed away that morning at her home in Didsbury.

Mrs. Ranton, who was in her 62nd year, was born in Edmonton and came to Didsbury 19 years ago with her husband and family, and had resided here ever since. She was always a cheerful disposition and made numerous friends and acquaintances during her long residence here, and her passing is mourned by the whole community.

Funeral services were conducted by Rev. D. Whyte Smith Thursday afternoon at 2:30 p.m. from Knox United Church, and the body was forwarded to Edmonton by Gooder Bros. Funeral Home where further services were held Friday at 3:30 p.m. in Anderson & McLaughlin Funeral Home. Interment followed in the family plot at Edmonton.

Surviving are her husband, Edward George of Didsbury; one son, William Didsbury; three daughters, Mrs. D.W. Iverach, Edmonton; Mrs. Harvey Birt, High River, and Grace Ranton, Edmonton. Also two grand-children.

## RED CROSS THANKS DONORS CANVASSERS, AND OTHERS

The Red Cross campaign has been closed in Didsbury and the local committee takes this opportunity of thanking all contributors and canvassers for donations and work done.

Any canvassers who have not reported contributions or turned in receipt books are asked to do so immediately, making returns to the treasurer, C.E. Reiber.

## WEST DIDSBURY CALF CLUB THIRD REGULAR MEETING AT ALEX ROBERTSON FARM

The third meeting of the Didsbury West Beef Calf Club was held at the home of Mr. Alex Robertson on Saturday, April 9, at 2 p.m. Two classes of beef calves were judged. The adult committee discussed ways and means of raising money.

Mr. McPhail inquired about the feeding of the calves and asked about mineral deficiencies.

After the business was completed Mrs. Alex Robertson, assisted by Mrs. Glen Roy, served a delightful lunch.

The next meeting will be held at the home of Mr. Roy McNaughton on April 26th at 2 p.m.

Some people make fears their best friends.

\$200 each to the branches at Olds, Didsbury, Carstairs and Crossfield; \$200 to the Blind Institute; \$75 to Olds cemetery board and \$50 each to cemetery boards of Didsbury, Carstairs and Crossfield.

Third reading was given to the by-law providing for the sale of the SW 1/4 of 6-31-4-5, to E.W. Lewis of Cremona.

Two readings were given to the by-law for sale of NW 1/4 of 36-32-4-5 to Chas. A. Sturrock of Westward Ho.

The NW 1/4 of 30-30-4-5 was leased for the year 1947 to Frank Bracken of Cremona.

The necessary by-law was passed to amend the business tax by-law in order to bring the mill rates into line with the general mill rate.

Numerous delegations were present in connection with the requests for gravel roads on a one-third basis, and the requests will be presented to the provincial government for approval.

A plan for a new sub-division at Sundre on the SE 1/4 of 3-33-5-5 was tabled.

Approval was given for the application of J.W. Klancher of Olds for the lease of a road allowance east of sec. 10 and north east of sec. 3 in 32-1-5.

Council also gave approval of a \$280.40 grant for the Calgary Municipal Hospital, for organization purposes.

Arrangements were made to acquire two acres of land for a road allowance along the SW of 9-32-4-5, south of Westward Ho.

The Reeve and secretary were appointed a committee to investigate the possibility of obtaining a hangar at Netook Airport for shop purposes.

It was reported to Council that the Department of Public Works bridge crew was repairing the bridge at Westcott and that traffic would be resumed this week.

Council agreed to provide gopher poison to farmers of the municipality in equal proportion to the amount paid for by the individual land owner.

The date of the next meeting was set for Monday, May 5th.

## BIRTHDAY PARTY FOR MISS LUCILLE COLLINGE

A birthday party was held at the home of Mr. and Mrs. Wm. Collinge on Good Friday evening, April 4, in honor of their daughter, Lucille. About 40 guests were present and Lucille was the recipient of many lovely gifts. Lunch was served by Mrs. Collinge, assisted by Mrs. Geo. Innes and Mrs. Lloyd Kershaw.

## FUNERAL SERVICES HELD FOR WILLIAM K. NELSON

William Kingham Nelson, 65, of 2301 17th St. S.W., Calgary, died in the Holy Cross hospital on Saturday, March 29, following a heart attack.

Funeral services were held in Jacques Funeral Chapel Thursday at 2:45 p.m., with Pastor Cyril Hutchinson officiating, and also rendering a beautiful solo. "The Old Rugged Cross" Cremation followed in Calgary Crematorium.

Born in Sarnia, Ont., Mr. Nelson went to Moose Jaw 40 years ago. He moved to Medicine Hat five years later and came to Calgary 25 years ago. During the second Great War he was employed as a brass molder or with the Vancouver Brass Co.

He returned to Calgary and Didsbury in 1946.

Surviving are his wife, Emily; four sons, Charles of Vancouver, Robert and George of Calgary, and James of Didsbury; two sisters, Mrs. J. Wright and Mrs. Jessie McLean of Port Huron, Mich.; two brothers, Fred of Toronto and Robert of Regina, also six grandchildren.

## WILL INFLATION FOLLOW LIFTING OF PRICE CEILINGS?

The Wartime Prices and Trade Board has announced a large list of items that have been removed from price ceilings, effective immediately, including foodstuffs, automobiles, machinery, dairy products, etc. However, many items are still subject to control, and a list of these was published in last week's issue of "The Pioneer."

The lifting or modifying of price controls has already caused a rise in price of many articles, and others are expected to increase now that controls have been lifted.

Sugar has already advanced one cent a pound to 9 cents, and the price of gasoline has risen 1½ cents for ethyl and 2½ cents for leaded fuel.

The price of coal is expected to advance about \$1.25 per ton although no definite announcement to this effect has yet been made.

With the lifting of controls the average citizen can expect an increase in the cost of living and it is now apparent that we are to experience a mild form of inflation which may reach staggering proportions if the buying public continues to pay exorbitant prices for unnecessary as well as urgent requirements.

## WESTERDALE NEWS NOTES

The April meeting of the Westerdale Willing Workers was held last Wednesday at the home of Mrs. A. Jackson, with 12 members and two visitors present. The meeting opened in the usual manner. Roll call answered with "An Alberta Industry and Where It Is Found." Mrs. F. H. Jackson, treasurer, reported that \$86.79 had been raised from serving lunch at the auction sales of Mr. W. Ross and Mrs. F. Welch.

A donation of \$350 was transferred to the Westerdale Young People's Club for the purchasing of lumber, cement, shingles, etc., for the construction of a kitchen on the south end of the Westerdale Hall.

Mrs. A. Buckley and Mrs. W. N. Noy gave very interesting talks on planting and raising of flowers. At the close of the meeting a flower contest was conducted by Mrs. F. ### BEEF, BACON TO U.K.

During the calendar year 1946, a total of 191,816,000 lb. of beef was exported from Canada to Britain, the equivalent of 410,150 head of cattle. There was also an additional export of 77,000 pounds of veal.

Export of bacon in 1946 amounted to 274 million pounds. An analysis of bacon exports for the period from 1938 to 1946 shows a steady increase in the percentage of A1 sizeable Wilshire sides shipped. In 1938 bacon exports graded 29.7 per cent A1 sizeable and the percentage increased each succeeding year until in 1946 the percentage of top grade bacon exported was 53.9 per cent. Wilshire sides made up 84.8 per cent of the total bacon exported last year.

### BRITISH FARMER SOWS GRAIN CROP FROM PLANE

T.W. Tomkins, who farms 6,000 acres in Northamptonshire, England, spent a day recently shovelling wheat out of a low-flying twin-engine airplane. Speeding back and forth over 50 acres of his autumn-plowed land, Tomkins will try to beat the weather's holdup of farming operations by sowing his wheat crop from the air. "We shall rely on the air spreading the wheat evenly over the land as we push it through the bottom of the plane," he said. "We cannot get on the land because it is too wet."

## O.S.A. Graduation Held Last Week

The largest class ever to graduate from the Olds School of Agriculture received their diplomas last week. A total of 124—83 boys and one girl received diplomas in the two year course in Practical Agriculture, and 40 girls in Home Economics. Many of the graduating students were war veterans.

Principal N.F. Miller presided at the closing banquet attended by 300 guests from all parts of the province.

Premier E.C. Manning was the guest speaker. He reminded his audience that agriculture is still the most important industry in this country, and the industry upon which all others are either directly or indirectly dependent. The four basic rules for success Mr. Manning gave were: Have a definite goal; obtain sufficient education to reach this goal; put the knowledge to practical use; and have the perseverance to make a success of the job.

The toast to the graduating class was given by W.S. Benn, who has been an instructor in the Alberta Schools of Agriculture for 36 years. It was responded to by Thelma Ashby of the White Mud district near Edmonton, and John Wilson.

Dr. J.D. Munro, deputy minister of Agriculture for British Columbia, who was present for the graduation of his son, Eric, brought greetings from B.C. and said the people of that province are asking for a school of agriculture there, and wish it to be patterned after the school at Olds. Three other students from the district near Cranbrook, B.C. also graduated in Agriculture.

Local students graduating included Patsy Gibbs of Inverness, who graduated in Home Economics, and Rosetta Moore of Garfield, who graduated in Agriculture.

### MICROSCOPIC POACHERS

A national Film Board release for the Dominion Dept. of Agriculture, "Vegetable Insects", studies the damage caused by insects to Canada's vegetable revenue. It is estimated that they destroy, each year, 10 percent of the total crops raised—a financial loss of \$12,000,000. The short color film shows vegetable growers how to recognize and destroy noxious weevils.

## TO THE MEN OF VIMY RIDGE

April 9, 1917—What memories flash through the minds of the ever thinning ranks who before dawn on that bleak Sunday morning thirty years ago clambered out of their trenches to write into history the greatest all-Canadian victory. No mechanized steel monsters to bear the shock—just these waves and little groups of khaki clad Canadians stumbling and groping, fighting their way over that churned, shell-torn slope soaked with the blood of thousands of our gallant French allies who fell in a vain attempt a year before. No stopping to say a few words to a pal, but ever forward through that twisted maze of wire and trenches and the screaming hail of shell and machine gun fire. The bitter fighting at Thelus, the cries of "Kamerad" as the grey clad super men were dug from their trenches and strong points. The Lens Road, the sunken pill boxes—they took a costly toll but could not stop that onward rush. At last the Ridge was ours, a new world, hitherto a closed book, lay before us. Nestling below the Ridge was Vimy. Petit Vimy, Turbus and Willerval, and in the distance Lens and the plains of Douai. Our hopes were high—we did not realize that nearly two more years of many hard battles lay before us before we finally turned our eyes westward again. Since then the years may not have been too easy but imbued with the same courage you will carry on to the last "Great Barrier" to meet again the nine thousand comrades we left on the slopes of Vimy. E.C.

## Warble Fly Treatment Urged By H. McPhail

Mr. Hugh McPhail, district agriculturist for Olds, is promoting a campaign to eradicate warble flies. He hopes in time to have all cattle within the municipality of Mountain View treated twice during the spring which he believes will eventually eradicate this pest. Mr. McPhail said recently he believed farmers lost from \$3 to \$5 a year for every animal untreated for warbles.

Mr. McPhail said at a recent meeting at Mountain View Hall, east of Didsbury, that there are now eight powers sprayers within this municipality for the treatment of warbles. These are located at Madden, Carstairs, Didsbury and Olds. The machines are mounted on a small truck and go from farm to farm; there is a helper and an assistant. At present most of these machines have been purchased on a community co-operative basis, though two are privately owned with the owners doing custom treatment for his neighbors.

It is found that one machine can handle 3000 cattle in a year and that here in this district, an area similar to a township, seems to be suitable for one machine. All farmers were asked to co-operate and where the livestock population was too small to warrant the purchase of a power sprayer they were advised to treat cattle by hand.

You can't give out to the nation what you haven't lived out at home.

**FLAX WILL BRING YOU \$5.00 per BUSHEL**

The Honorable James C. Gardiner announced March 17th that, effective August 1st, the price for 1947 flax crop will be \$5.00 per bushel. Flax No. 1 C.W. Fort William. Flax is now Canada's most profitable crop.

Not only Canada, but the whole world needs edible and commercial fats and oils. The flax you will grow supplies linseed oil for paint, linoleum, printers' ink, rubber, metal castings—shortening, even livestock feed. Plan to grow maximum acreage in flax this year and every year. Special re-cleaned flax seed is now available to help you get started. Write to the Alberta Linseed Oil Company Limited, Medicine Hat, Alberta.

### COYOTE LOSSES FORCE SHEEP MEN OUT OF BUSINESS

Flock owners who are or have been included in the membership of the Alberta Sheep Breeders' Co-op., Edmonton, are being subjected to severe losses through the ravages of coyotes.

Questionnaires which have been sent from Edmonton, asking for information on losses in 1946, are now being returned.

They show that in some cases small flocks had been completely wiped out. The victims say they are definitely out of the sheep business until there are some protective steps taken by the government.

In other cases those who have been raided and not completely wiped out say they are going to sell as soon as they can.

There are mixed views as to the benefits that would result from the employment of hunters.

Some of the sheepmen have expressed the opinion that there is a possibility that a hunter who might be shot at a female, would refrain from killing her and thus remove a possible source of a future "crop."

Detailed information as gathered by the Co-op. will be submitted to the provincial department of agriculture in the hope that remedial measures may be adopted immediately.

### KEEP EGGS CLEAN

Cleaning eggs is not a substitute for clean eggs. No type of cleaning can do a satisfactory job on stained or very dirty eggs. Any type of cleaning removes to some extent the protective coating of the shell and hastens deterioration of quality. The surface of an egg is slightly moist when it is laid. Clean nest material is the only way to prevent staining.

In the laying house no dirty litter should be allowed, and frequent collection of eggs avoids dirt caused by birds walking over or soiling other eggs already in the nest. The point is to keep eggs clean and avoid the necessity and labor in cleaning them. Canada has attained a notable reputation on the British market for clean eggs.

### HAVE GIVEN FARMERS MILLIONS OF TREES

Free trees are supplied to farmers in the Prairie Provinces for Christmas planting by the Dominion Forest Nursery Stations at Indian Head and Sutherland, Saskatchewan. These trees are grown and distributed by the Stations. Broadleaf trees are supplied free of charge, while a small charge is made for evergreen trees, the planters paying express charges on shipment. Up to and including the spring of 1946, over 200 millions of broadleaf trees have been distributed to more than 4,000 planters every year, and practically five millions of evergreen trees to 800 planters annually.

For the most part, the Forest Nursery Stations and the planters have concentrated attention on establishing farm and home shelter belts for the purpose of providing protection to people, livestock, gardens and buildings, but during the past 15 years many farmers have given some attention to planting field shelterbelts for the purpose of improving conditions for crops grown under field conditions.

Full information on the subject is given in publication 755 on "Planting and Planting Field Shelterbelts" by John Walker, Superintendent, Forest Nursery Station, Indian Head. Chapters are devoted to benefits from field shelterbelts, planning, what to plant, extent of planting, and seasonal care, together with valuable information about trees. A free copy of the publication may be obtained by writing to the Dominion Department of Agriculture, Ottawa.

Heated opinions are a poor substitute for hearts on fire.

## THE Smart LOOKING, Smart HANDLING 1947 OLDSMOBILE

Three full lines to choose from all offering

\*Optional at extra cost

The 1947 Oldsmobile is smart in more ways than one. Smart styling, . . . certainly. But it's a smart investment, too. An investment in the dependability and quality for which the Oldsmobile name is famous. An investment in the riding comfort of Quadri-Coil Springing and 4-Way Stabilization. An investment in the matchless driving ease of GM Hydra-Matic Drive\*—the only drive that shifts gears automatically and eliminates the clutch pedal entirely. Choose the low-priced Oldsmobile "60" (either a six or an eight)—or the popular-priced "70" (also with a choice of engines)—or the luxurious "98" Custom Cruiser. Whichever it is . . . you'll be making a smart choice!

The demand for new cars is still so great that it may be some time before you take the wheel of your new Oldsmobile. Make sure your present car keeps rolling. The better its condition, the safer you are . . . and the higher its potential trade-in value.

## :- DISTRICT NEWS:-

### NOTES FROM THE EAST

The Lone Pine W.I. met Easter week at the home of Mrs. B. Shells with only eleven members present. The opening song was "Oh What A Beautiful Morning."

Mrs. P. Schumaker and Mrs. S. Elliott were elected to attend the convention to be held in Calgary in May. It was decided not to attend the sewing course to be held at the Olds School of Agriculture in mid-summer.

The hand-painted Easter eggs were judged by four girls who were present at the meeting. Mrs. H. Shells' was judged the best with Mrs. Earl Wood second. Four members paid their fine because they failed to answer roll call with painted eggs.

Mrs. Rathburn took the subject of Handicraft for the day, the paper being read by Mrs. H. Shells. The bit of fun was supplied by Mrs. Coates in the form of an "Easter Questionnaire" contests. Mrs. Huggard, making the highest score, took the prize. Mrs. Ivan Weber won the ten cent draw. The meeting closed in the usual manner with best wishes to Mrs. E. Wood, who is leaving our neighborhood. A pot luck lunch was then served by the hostesses. The next meeting will be held at the home of Mrs. W. McCulloch.

Mrs. E. Richardson spent Easter week with Mrs. Dave Pratt.

Mrs. Coates wishes to thank all her friends who sent cards and letters during her illness in Rochester. They were greatly appreciated. She also wishes to thank friends for cards, flowers and chocolates received while convalescing in Calgary, with thanks especially to the Lone Pine W.I. for a lovely potted plant.

### MELVIN NEWS ITEMS

Mr. and Mrs. Carl Sanderman arrived unexpectedly from the States last week to attend the Wollen Moon wedding. They surprised everybody by being at the church when the wedding party arrived.

A huge crowd attended Mr. and Mrs. Herman Wollen's wedding dance last week and everyone reported a grand time. Mr. Geo. Youngs, on behalf of the crowd, presented the young couple with a purse of money and both bride and groom thanked everyone present for the gift. Music for dancing was supplied by the Merry-makers. Sincere good wishes of all go with them to their new home.

Mrs. Roy McNaughton is spending several days in Calgary this week where she will take medical treatment.

Neil Youngs had the misfortune to break a bone in his foot on Tuesday had it put in a cast. We hope you don't miss much school, Neil.

Only five members of the Red Cross group showed up at the meeting last Thursday at McNaughton's, so nothing was done. It was decided not to have a May meeting. The June meeting will be held at the home of Mrs. Geo. Youngs.

There will be a dance in the Melvin Hall on April 25. Music by the Merry-makers.

### BURNSIDE NEWS NOTES

An error was made in Burnside news last week when the "Westcott" heading appeared on it.

Editor's Note—We are sorry but can't do anything about it now. We will try to do better in future. You know the story about the doctor—when he makes mistakes he buries them. Not so the editor. When he makes a mistake all he can hope for is a little more criticism.

Bill McCulloch has purchased the Hiway Garage from Bert Prevost.

Pete Schumaker was out on the land last week working with horses.

The Sunnyslope Hockey Club held a successful dance in the Lone Pine Hall Friday night and it was a huge success.

Mr. and Mrs. Joe Clarke are spending a few weeks in Calgary at the home of their son and daughter-in-law, Mr. and Mrs. Jack Clarke.

Charlie Mardon who is still in the Belcher hospital after three and a half months stay, is still not able to be home, but he wishes to thank the Canadian Legion and the Women's Auxiliary for the lovely basket of fruit, the Tanks for the bouquet of flowers, and the many kind friends for Easter cards and personal visits.

Mr. and Mrs. Louis McCulloch of Vermilion were visiting Louis' brothers in the district last week end. Geo. Long is employed on the Walter McCulloch farm for the summer.

Delbert Fulkert spent part of the Easter holidays at the home of his uncle, Bob McCulloch.

Mr. and Mrs. Jack Underhay were business visitors in Calgary Tuesday.

Mrs. Geo. Hergert of Calgary has been visiting with her sons, Otto and Gus Bittner, and with her daughter, Mrs. Walter McCulloch.

Pete Schumaker and son Clarence of Bluffton, Alberta, were in the district this week. Pete is an old timer in these parts.

Mrs. Alex Stewart and son of Carstairs visited at the Page home Sunday.

Mr. and Mrs. R.J. Page and baby son were dinner guests with the former's parents on Sunday.

Leone Blain and Lois and Lila McCulloch spent a few days last week with their friend, Olwyn Bittner.

### WESTCOTT NEWS NOTES

We wish to extend our sympathy to Mrs. Swanby and her family in the death of her father who passed away last Thursday night in Calgary.

Mr. Henry Willhisen has accepted a job with Mr. Reid Clarke and will move his family into the residence provided for them this week.

Mr. Bob MacFarlane attended the Masonic fortieth anniversary celebration which was held in Didsbury last Tuesday.

On Friday last a Cub pack was organized in connection with the Scouts under the same leader, Mr. Jack Robertson. We understand that Mr. Bob Hughes is assisting Mr. Robertson.

We are all pleased to see that the bridge crew has arrived and are busy repairing the bridge at Westcott that has been closed to traffic since March 18th.

Roads and fields were drying nicely until Monday when we had another spell of blustery, wintry weather, and now everything is again as soggy and wet as before.

Mr. and Mrs. Herbert Goetten and family spent Sunday with the latter's parents, Mr. and Mrs. H. Papke of Elkton.
